In re Application of
Christian Prehofer
Application No. 09/744,829
Filed: April 3, 2001
Attorney Docket No. P00,2004

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b) to revive the above-identified application, filed October 13, 2006.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, the signature of John P. Musone appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that she is authorized to represent the particular party on whose behalf she acts in accordance with 37 CFR 1.34(a). A courtesy copy of this decision is being mailed to petitioner; but, if Ms Musone desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. All future correspondence regarding this application file will be directed solely to the address of record.

The petition is **DISMISSED**.

A grantable petition under 37 CFR 1.137(b)¹ must be accompanied by: (1) the required reply,² unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D).

¹ As amended effective December 1, 1997. See Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53194-95 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 119-20 (October 21, 1997).

² In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

The petition lacks items 2 above.

It is noted that Part B of the Issue Fee Transmittal accompanied the petition. While authorization was given to charge the requisite issue fees, there was no general authorization to charge any fees to a deposit account. Accordingly, petitioner must submit the requisite \$1,500 petition fee before a decision on the petition to revive is rendered.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

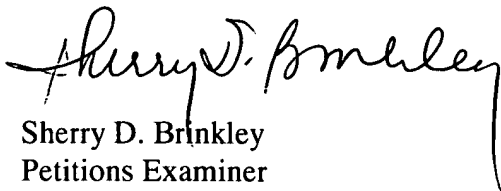

Further correspondence with respect to this matter should be addressed as follows:
